PLAN DETAILS

INCLUDED USAGE

The following usage types are INCLUDED for use from your monthly usage allowance:

- Infinite standard calls to any network in Australia (excludes special numbers)
- Infinite standard TXT & PXT anytime in Australia and overseas (excludes special numbers)
- Infinite voicemail
- 300 standard international minutes when in Australia
- Infinite 1223 and 1225 National & International Directory Assist

VODAFONE NETWORK SATISFACTION - 30 DAY GUARANTEE

Vodafone is now offering a 30 day Network Satisfaction Guarantee on all postpaid mobile services to ensure you are completely satisfied with your network service. Within the first 30 days if there are network issues that cannot be resolved you can cancel your contract with no penalty fees - just pay for the credit you have used.

NETWORK COVERAGE

4G is available to customers with a 4G device and an active prepaid recharge or Postpaid account with Vodafone Alerts and a 4G device. Go to vodafone.com.au/coverage to find out where.

KEY POINTS

POSITIVES

- 13 / 1300 numbers included in usage allowance
- 1800 numbers included in usage allowance
- You can make international calls as part of the monthly included value allowance
- Visual Voicemail for iPhone
- Able to BYO phone
- Video calls included in the included value (only available on phones that support video calls)
- Voicemail included in usage allowance

FEATURES

- Unlimited standard national and

FEATURES & BENEFITS

international SMS
Included data allowance can be used
for tethering

INFINITE STANDARD MINUTES AND TXT IN OZ

This plan provides Infinite calls anytime to any network in Australia (excluding calls to Premium numbers, 123 Ask us anything and Re-routed calls).

EXCLUSIVE ACCESS TO RED ROAMING

Take your home plan with you when you travel to 47 countries (including the US, UK and NZ). Use your mobile like you would at home for only \$5 extra per day. You must specifically opt in to Vodafone Red Roaming before leaving Australia. Vodafone Red Roaming may be used for a maximum 45 days in any calendar year.

DATA BLOCKS

Extra data used over your monthly allowance is charged in 1GB blocks. A 1GB block will be automatically added to your plan and more than one data block can be added per month depending on how much data is used.

PRIORITY ACCESS - AUSTRALIAN CALL CENTRE

Red Plan customers receive priority customer service from Vodafone's Australian call centre.

RATES

Rates (for use within Australia)	Cost
Standard flagfall	\$0.00 per call
Standard national voice call rate	\$0.00 per minute
Standard national text messages (SMS)	\$0.00 each
Standard national multimedia messages (MMS)	\$0.00 each
Standard video flagfall	\$0.00 per call
Standard national video call rate	\$0.00 per minute
Excess data rate	extra 1GB blocks at \$10 each
